Upcoming Events & Announcements

December 7 - Elementary Trimester Ends

December 8 - Parent/Family "CREW NEWS Zoom" @ 4:30pm. Please contact Mrs. Kendra for the link and additional information.

December 23 – Half day before break.

December 24 through January 1 - Winter Break

Incident Weather Plans SY21 "Snow Days"

The first three weather events for this year will be treated as typical snow days with a closing of schools. These days will be made up;

- June 21
- June 22
- June 23

If the winter brings more than three closings, we will then use Distance Learning (DL) for any remaining closings.

Health Office Updates:

Preschool Families:

Just a reminder that flu shots are required by the state of CT for all preschool students by 12/31/2020. If your student still needs to have their flu shot, please call School Based Health Center at 860-437-4555 to make an appointment. There is no charge to you for the flu shot. Please call the nurse's office with any questions.

WIFI Assistance:

If you need Wi-Fi assistance or do not have access to Wi-Fi, please contact Carrie Rivera at riverac@newlondon.org or visit the Technology Office at 134 Williams St. New London CT.

Harbor Attendance

All students are expected to attend school five days a week either online or in person (based on their cohort schedule). Students are expected to attend all live online classes, and actively participate, just as they would if they were in person. Students are also required to complete all postings assigned online and in class. Students who do not attend online classes and do not complete their work will be considered absent.

Please go to newlondon.org for updates and information.

From Principal Foster

Hello Harbor CREW Families,

In this week's edition of the 'CREW NEWS' I would like to highlight several resources provided for our entire learning community. This school year we plan to accomplish a variety of goals, which are outlined in all four areas of our District Improvement Plan.

- Attached to this communication is an overview of the work of our District Equity Leadership Team (DELT) and its Advisory Committee (DELTA). Please take a moment to read about this important work.
<https://www.newlondon.org/our-district/announcements/whats-new/delt-delta-plan>
- There are numerous ways that we are building collaboration around the learning process. (Phone, email, TEAMS, See Saw, 1:1s, home visits, Anonymous Alerts, School Messenger, social media, and conferences).
- The SY 2021-2022 budget development process is upon us. We ask that parents/caregivers collaborate with us in the development of our school budget.

On-going Commitment to Health and Safety:

As the winter holidays approach, our district remains vigilant in our adherence to guidelines and protocols defined in the NLPS Reopening Plan, i.e.:

- Maintain safe social distance from others of 6 feet or more; to the greatest extent possible
- When unable to social distance at 6 feet or more, do not spend more than 15 minutes engaging closely with another person - except those you live with - within a 24-hour period.
- Wear masks that cover your nose and mouth always (except for structured, not to exceed 3-minute mask breaks within the classroom)
- Wash your hands frequently for at least 20 seconds. When soap and water are not available, use hand sanitizer that contains at least 60% alcohol.
- Stay at home if you are sick.
- Call ahead before visiting your doctor.
